

WEBSITE & THE BOWMAN MUSEUM: Lynn encourages everyone to check out the **Crook County Rodders** website. It is fantastic, 'ya gotta see it for yourself! Just GOOGLE Crook County Rodders – The website is user friendly and is PACKED with interesting information! Lynn also shared a few newspapers with fascinating articles about Stryder and about the Museum.

REFRESHMENTS: Refreshments tonight by Jim and JoAnn. (Thank you!)

NEW BUSINESS

2020 CAR SHOW LOCATIONS: Thank you to Tom for sending out information on the various 2020 Car Shows. The **April 25 WILD RIDE** show needs to know how many people will be going. Lynn asked for a prime location for the club (US BANK LOT) so WILD RIDE needs to know exactly how many cars are going. If you are planning to go and have not signed the list, please contact VP - RANDY ASAP. Thank you!

BOLOGNA POT LUCK: Jim and JoAnn Welter are hosting their Annual "Who doesn't LOVE Bologna" potluck on Saturday March 28! Jim said to come to the potluck so you have an excuse for being full of bologna! The sign up sheet was passed around, so if you didn't sign up, please get in touch with the Welters if you would like to join the fun. Several people volunteered to help with chairs for the event. Thank you everyone!

FUTURE MEETINGS: Lynn updated everyone on continuing efforts to find a new permanent home for Crook County Rodders Meetings. **WE ONLY HAVE ONE MORE MEETING AT THE FIRE HALL!** (April) There were suggestions for The Eagles and the old Pizza place were suggested as possible new locations. Thank you to everyone helping to find a new meeting base.

In **MAY**, we will meet at the Museum. **JUNE** will possibly be at DR. Starr's office in Prineville.

SEMI-ANNUAL ROAD CLEAN UP: The sign up sheet was passed around for the "twice per year" road clean up project. The clean up is in April and September every year and usually has plenty of participants. A no host breakfast will be at the Apple Peddler (reservations will be made). Thank you to everyone, in the effort to keep Crook County CLEAN!!!

MEMBERSHIP REPORT: Mark Dostal reports that 46 members are paid and 5 are pending pay. Rodder members know that they will be dropped from membership for non-payment. Please let Mark know if you need a member list PDF.

BOB FOX came home from the hospital today. Best wishes to Bob for a speedy recovery! "We care cards" with our wishes were sent to **Bob and Troy** for their recoveries.

Lynn read THANK YOU sentiment from 4VR RIP, Tunnel To Towers, the CCHS Natural Resource Program for donations made by The Crook County Rodders. Look them all up on Facebook or Google for information regarding their fantastic foundations that help local and national programs.

CROOK COUNTY RODDERS HANDBOOK: JoAnn Welter asks that everyone review their personal data in our membership list for errors. Once the handbook is printed, no changes can be made until the next print (probably biennially – every two years.) A donations list in the handbook will show donations made by the Crook County Rodders. Bylaws will be on the CCR website. We *may* see the handbook in print by **MAY**.

TRAILER REPAIR UPDATE: Bob Gosch asked for a few volunteers to work on the trailer project. Florence needs the trailer moved, so it will be stored at Lynn and Sharon's house. (Thank you to Lynn and Sharon, and thank you to Florence, for storing the trailer for the winter). The donated trailer will help alleviate storage fees. Volunteer Rodders have already started working on the trailer.

CRUISE TO THE CENTER OF OREGON - July 11: Wanda updated that the new DJ is Chuck Boogie, because of a 1 Man Band scheduling conflict. Rodder members do not register for the show – a special area is designated for host cars. The Elks Lodge needs help with donations for the raffle baskets. A couple of ideas that would help are home made crafts and gift certificates for extra prizes for spectators visiting our show. Vendors are still in the works. The on line Pre-Registration is working. A "flyer draft" is coming soon. Let Wanda know if you have any suggestions. Roger is allowing use of his truck for the opening ceremonies (BIG THANK YOU to Roger!) Mary Chapman is singing for the opening ceremony crowd.

LUNCH LADIES: Will be Tuesday - March 17th (**St Patrick's Day**) for 11:30am at MO'S EGG HOUSE, location ~ 950 SW Veterans Way, Redmond. Weather permitting for Junk 'n de Trunk.

GEEZERS BREAKFAST: Every Friday, please watch for emails regarding time and place.

REFRESHMENTS IN APRIL: By the Dostals. (Thank you!)

NEXT MEETING: Wednesday April 1st.

MEETING ADJOURNED: 8:09 pm.

Respectfully submitted by Debbie Golden, Secretary
